

**Notice of Race**  
**Amendment Number Two**  
American Yacht Club  
2016 Fall Series and  
J/88 North American Championship  
September 24, 25, 30 & October 1, 2, 2016

Organizing Authority  
American Yacht Club

On Saturday, September 24<sup>th</sup> AYC will host a Leukemia Cup fundraising regatta in conjunction with the Fall Series. On that day we intend to have a dinghy circle in the vicinity of Milton Harbor along with a specified Leukemia Cup Navigators Race for boats without ratings or that are not participating in another class in the Fall Series. With respect to the Leukemia Cup the following amendments to the Notice of Race will apply:

In Section **2 ELIGIBILITY**: After the first sentence, add “In addition to boats eligible to race in the Fall Series, the Leukemia Cup will be open to boats without a handicap, sailing on a course around government marks (“Leukemia Cup Navigators Course (LCNC)”), and certain junior classes (Optimists, Lasers, C420s) crewed by sailors under the age of 20, as well as any dinghy class (adult or junior) of more than six boats. Unrated boats will not be scored, but will be eligible for fundraising prizes in conjunction with the Leukemia Cup.”

In Section **3 ENTRY**: After the first sentence, add “Boats entered in the Fall Series will also automatically be entered in the Leukemia Cup and given a fundraising webpage. Boats sailing in the Leukemia Cup only must enter on [www.yachtscore.com](http://www.yachtscore.com).”

In Section **4 FEES**: After the first sentence, add “There will no Leukemia Cup entry fee for boats already entered in the Fall Series. The entry fee for boats sailing in the Leukemia Cup only will be \$75, which will include one complimentary dinner ticket. The entry fee for junior and dinghy classes will be \$25, and will not include a dinner ticket.”

In Section **8 COURSES**: After the first sentence, add “A separate Leukemia Cup Navigator’s Course (LCNC) will be offered on Saturday, September 24<sup>th</sup> with the starting area to be announced on VHF Channel 71 at 0930 that day.”

Adding Section **19 DINNER**: On the evening of September 24<sup>th</sup> there will be a Leukemia Cup dinner and auction. Dinner tickets are \$75. Entrants paying a \$75 entry fee and entrants in the Fall Series who raise in excess of \$250 will receive a complimentary dinner ticket. Also, there is an extra incentive for Leukemia Cup Navigators Course participants to purchase dinner tickets. For every ticket purchased by a boat participating in the LCNC beyond the first complimentary ticket, that boat will be awarded a rating adjustment benefit of 10 seconds per mile towards their finish time in that event.
